

Planning Guide - Cooktops

Measurements that are off even slightly can cost you more money and create hassle. We recommend measuring twice before making a purchase.

warnersstellian.com

An appliance returned because it will not fit or if it's the incorrect fuel type will incur a delivery fee and possibly a restocking fee. For questions or concerns about dimensions, please contact your sales associate.

Need help measuring? Our in-home premeasuring service is only \$129.99

What is the current brand and approximate year of your cooktop? _____
